4100 West Third Street
Dayton, OH 45428

NAVAC CERTIFIED CLINICAL CHAPLAIN

The requirements for Certified Clinical Chaplain conform to the current qualification requirements for employment as a Chaplain for the Department of Veterans Affairs, which are: possession of the degree of Master of Divinity, two units of CPE (Clinical Pastoral Education), and endorsement by a recognized faith body. Equivalencies that are proposed for any of the requirements will be accepted based on the list of equivalencies recognized by the VA National Chaplain Center's Board of Excepted Service Examiners. Any person who has been accepted as a VA Chaplain, even if grand fathered, qualifies for Certified Clinical Chaplain, based on his/her experience. Any person whose application for Certified Clinical Chaplain is denied may appeal to the Chairman of the Board of Directors. Annual dues for a person qualifying as a Certified Clinical Chaplain are \$50.00, payable in January of each year, and no later than March 31st.
